Antares is very big mall. People visit there and do shopping. Especially, they meet, eat and go to cinema with their friends at the weekends. This palace is very popular and fascinating among us to have good time.

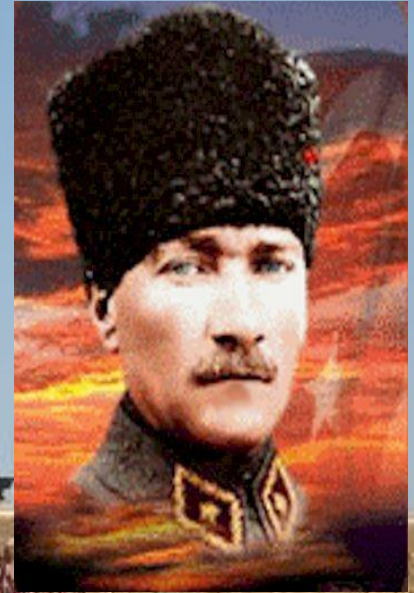

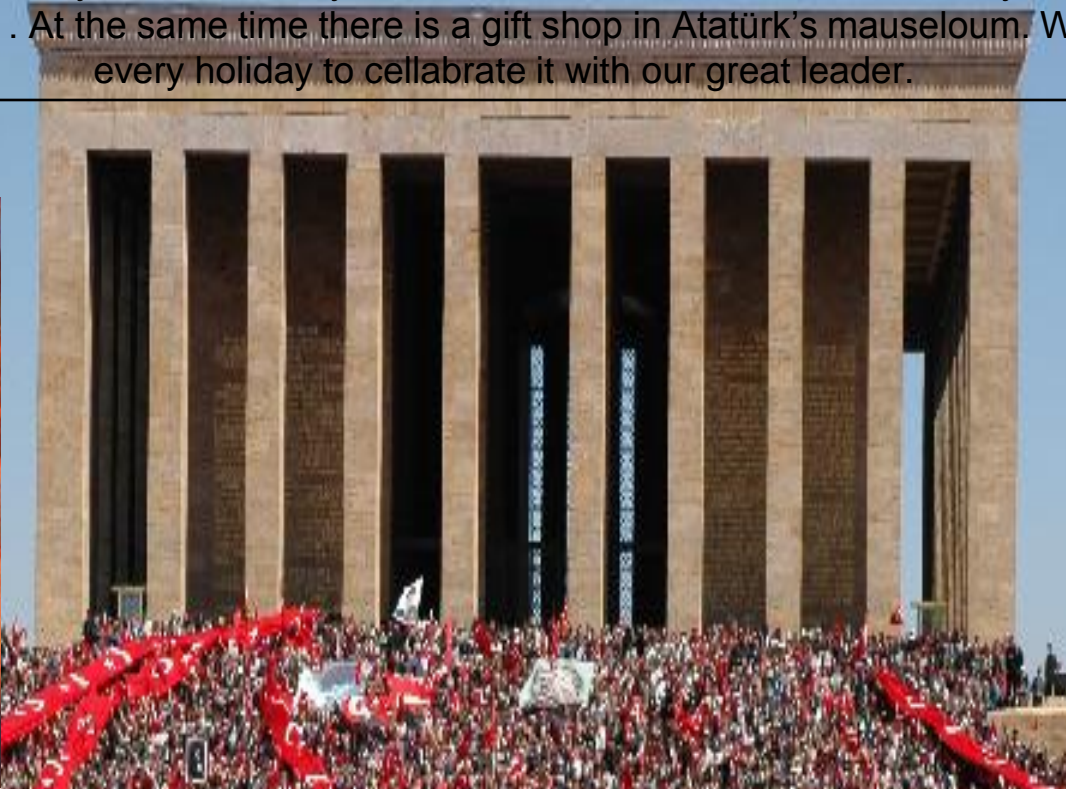

Güven parkı is a very crowded place. This place is very nice to relax and walk around. Kızılay is the center of Ankara and very popular. There are shops, restaurants, stores, etc. At the weekends we go and spend time there.

Traditional dishes are still very popular in Turkey. We eat a lot of traditional dishes in this restaurant. We like to eat “Kebab” there.

The great leader Atatürk lies in Atatürk's mausoleum. People often visit there. Atatürk's goods and chattels are there. There are serrations on Atatürk's mausoleum's floor. This means that if you don't be careful, you can fall. So, you should be careful in the future. Because you will have got a lot of enemy. At the same time there is a gift shop in Atatürk's mausoleum. We go there every holiday to celebrate it with our great leader.

Our school's name is Uslugbey Anatolian High School. There are two volleyball courts, a soccer field, music room and art room. Also there are a theatre and tennis tables in our sport room.

This is a Aqua Park. People come here from all age groups but the majority of the children. A good choice for hot summer days.

This is Kocatepe Mosque. Kocatepe Mosque is famous in Ankara. The Muslims worship in Kocatepe Mosque.
